ICT 2013

Find your ICT Research Partners in

Face2Face meetings

6 -8 November 2013 - Vilnius, Lithuania

http://www.b2match.eu/ict2013

The **ICT 2013** event "Create, Connect, Grow", will be held **in Vilnius, Lithuania, on 6-8 November, 2013** and is organized by the European Commission and the host of the event, the Republic of Lithuania. The event will focus on Horizon 2020 (H2020) - the EU's Framework Programme for Research and Innovation for 2014-2020, and will emphasize the integration of the ICT theme into the three pillars of the programme: ICT for Excellent science, ICT for Industrial Leadership and ICT for Societal challenges. In total, more than 4000 researchers, innovators, entrepreneurs, industry representatives, young people and policy makers are expected to attend.

Ideal-ist, the network of National Contact Points for ICT research, in cooperation with the Enterprise Europe Network invites you to participate in a **brokerage event** with **pre-arranged face2face meetings** within the ICT 2013 event.

This brokerage event is a **unique networking opportunity** for actors in the ICT field to:

- build quality partnerships for participating in the new ICT Programme for 2014-2020
- facilitate the setup of project consortia for the first upcoming H2020 calls
- discuss and develop new project ideas on ICT at international level
- acquire new cross-border contacts and initiate collaborations
- promote your research results, technologies and know-how

Event Target Audience:

Representatives of companies, universities and research institutes worldwide working in the ICT sector, interested in sharing new project ideas and finding collaboration partners

Topics:

- Components & Systems: Cyber-Physical Systems, Smart System Integration, TOLAE
- Computing, Systems and Infrastructure
